LOKI NETS

Made In America With Pride

FAMILY OWNED

Founded in 1965, Mid-Lakes Corporation is a family-owned diversified manufacturer of Raschel-style knotless nylon netting used by a variety of industries and customers. Our core product is knitted in-house under the brand name Loki Nets. We have four divisions: Fish-Related Industries, Sports Nets and Cages, Agricultural/Industrial Netting and Bulk Netting.

MADE IN THE USA

Loki Nets are famous for being made in the United States. There are very few knotless netting manufacturers left in the U.S.A. Most companies import netting from China and Japan. By using conservative business practices and finding a “niche,” we have been able to survive and prosper while other American netting companies have shut down. We have an excellent reputation in all the markets we sell to, and have the respect of our competitors. This is due to a unique understanding of how netting is made and how it can be fabricated successfully.

QUALITY

Since we make our own netting, we can be flexible, timely and creative. Because all research, development and production are done in-house, we can quickly, successfully and inexpensively launch new products—something our competitors are unable to do. More importantly, we can control every part of the process. No matter what product they are making at the time, our employees are diligent about quality. From the knitting room, to the cutting and sewing department and to the assembly area, a spirit of pride in a job well done prevails.

So whether it's a trout net, bird netting, a batting cage, scrimmage vests or cargo netting, if it says Loki Nets, you can be sure that it was made with pride by the hands of East Tennesseans—right here in the U.S.A.

UNIQUE CONSTRUCTION FEATURES

Set Loki Nets Apart

When it comes to building nets, we try to keep things simple. We design our nets to do two things – catch fish and last a long time. No gimmicks or fads – just practical and durable products that perform exactly as they're designed.

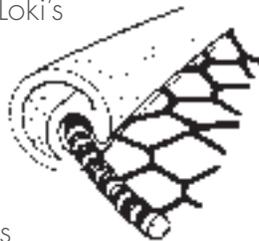

1 100% U.S. MADE KNOTLESS NETTING

All Loki netting is made in our plant in Knoxville, Tenn., from 100% nylon under strict quality control conditions. The knotless netting reduces abrasion to the fish, is more durable and also absorbs preservative treatment better than knotted nets.

2 MONORAIL™ SYSTEM

The original mesh-guard system, Loki's Monorail aluminum bow is used in many of our small mesh dip nets (shad, smelt, trout, bait dealer and others). Monorail prevents netting abrasion from bait tanks, rocks and sand. The net itself is encased in the bow, creating a natural guard and attractive appearance.

3 TANGLE-LESS™ & TECHNET™ LANDING NETS

Introduced in 1984, our Tangle-Less line has spawned many cheap imitations over the years, but none comes close to the original. TechNet features Tangle-Less coating with a larger mesh opening and deeper net bag. The result is a net with more body that greatly reduces tangling.

4 STRONG CONNECTOR BLOCKS & FITTINGS

One-piece solid aluminum connector blocks are used on all sliding handle nets. Stainless steel screws and springs are on all Tangle-Less and TechNet models.

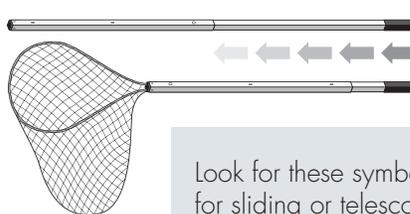

5 HANDLE OPTIONS

Fiberglass, aluminum and wooden handles are options on many Loki nets, along with square and round telescoping models.

SLIDING HANDLES (SH)

TELESCOPING HANDLES (TH)

Look for these symbols for sliding or telescoping handle options

LOKI NETS are 100% made in the USA

With the exception of our Promo line, all Loki Nets and components are 100% manufactured in the USA from American-made components.

THE ORIGINAL TANGLE-LESS™

The original coated net—and still the best! No other net on the market performs like the original Tangle-Less. It's the ultimate catch & release landing net!

- Small mesh netting keeps lures from tangling.
- Super strong coating gives the bag stiffness and more body to prevent tangling.
- Flat bottoms help fish lie flat for easier catch & release.
- Shallow bag means less material to entangle fish.
- Netting is bonded to the hoop to prevent slippage.
- Knotless nylon netting has no points of abrasion to harm gills, fins or slime coat, and absorbs coating better than knotted nets.
- Handle options include sliding low-gloss reinforced fiberglass and sliding or fixed aluminum. F in stock # denotes fiberglass.
- Spook-Stopper black bows.
- Variety of hoop sizes available.
- Stainless steel screws and springs.

*Double-wall construction at stress points for added strength.

TANGLE-LESS™ FLATS NET

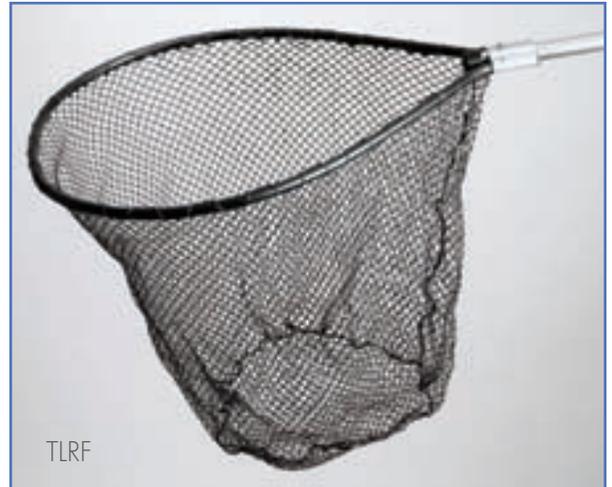

The ultimate saltwater net for serious flats anglers!

- Superstrong coated mesh prevents tangling.
- Bonded net won't slip around hoop.
- Flat net bottom for easier catch and release.
- Shallow bag and small mesh stop lure tangles.
- Knotless nylon netting is easy on fish.
- Heavy-duty aluminum or fiberglass handles.
- Solid aluminum connector block.
- Stainless steel screws and springs.

TECHNET™

TechNet brings together our most requested features into one professional-caliber net. TechNet is very similar to our Tangle-Less model, but features a larger mesh size and deeper net bags.

- Knotless netting is gentle on fish.
- Sewn-in bottoms aid in catch & release.
- Coated netting features smooth, firm and flexible surface and prevents tangles.
- Larger mesh size reduces water drag.
- Netting is bonded to frame to prevent slippage around bow.
- Handle options include low-gloss reinforced fiberglass or diamond-embossed aluminum.
- Sliding or fixed handles available.
- Tech 11 and 12 Models feature squared front bows for easier big-fish entry.
- Spook-Stopper black bows and grips.
- Stainless steel screws and springs.

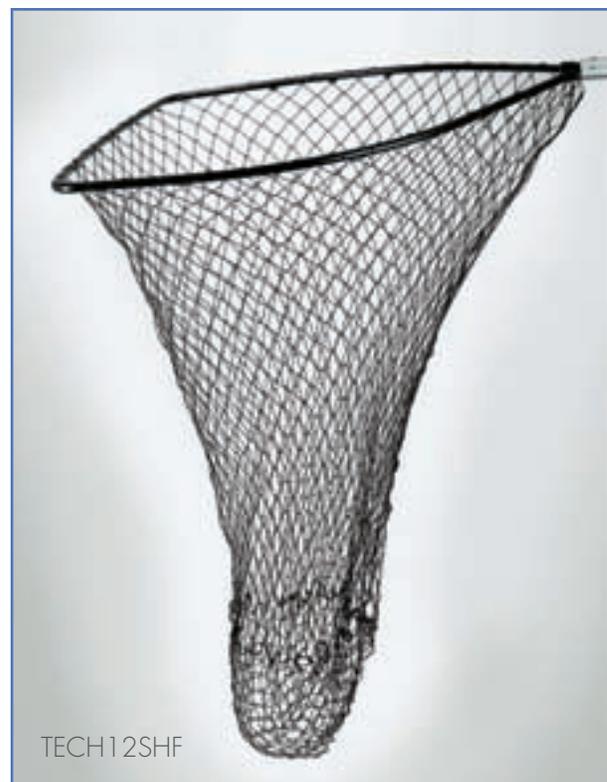

Model #	Bow Size	Handle	Net Depth

BIG FISH NETS

Our line of big fish nets is designed for versatility, performance and long-lasting quality. Whether you're chasing monster catfish, trophy muskies, giant stripers or big salmon—there's a Loki big fish model to meet your needs.

The Brute: Catch & Release Musky Net

In the past few years, we've had calls from musky anglers seeking a rugged net with true catch and release features. After working with Muskies Inc. members, the result is The Brute: the biggest and toughest musky net available!

- Tangle-less™ Netting – special coating provides stiffer but smooth surface to reduce tangling and decrease damage to gills, fins and slime coat.
- 100% Knotless Nylon Netting.
- Sewn-in flat bottoms make fish easier to handle.
- Netting is bonded to frame, preventing slippage around the bow.
- Low-gloss, reinforced fiberglass handle with foam grip.
- Solid aluminum connecting block allows handle to slide for easier storage.
- Double reinforced hoop with exaggerated width is sized for easy entry of big fish.
- Spook-Stopper black finish won't spook fish at the net.

MUSK-1

Model #	Bow Size	Handle Length	Net Depth
MUSK-1	36" x 37"	1 1/4" x 6' Fiberglass	42"
MUSK-2	36" x 37"	1 1/4" x 4' Fiberglass	42"

Musky/Pike Cradle

A favorite of Esox anglers, our Musky/Pike Cradle features our popular Tangle-Less netting that helps prevent damage to gills and fins of any game fish. Handles are black fluted aluminum, 56" long, with foam hand grips. Model MC-2 features black ACE nylon netting. Packaged one each, these cradles ship in a reusable corrugated tube and will ship standard UPS or parcel post.

Model #	Handle Length	Net Type
MC-1	1" x 56"	1/2" Tangle-Less
MC-2	1" x 56"	1/4" Ace

Our MUSK-1 with 6' fiberglass handle

MC-1

THE BEAST: TROPHY LANDING NET SERIES

Heavy, tough-fighting fish like big catfish or stripers can put a beating on your equipment – especially landing nets. The Beast was designed with big fish in mind and is built to withstand years of use.

The Beast is made in the USA from the toughest components available:

- Double-reinforced hoop
- Heavy duty aluminum or fiberglass sliding handles
- Large mesh, tangle-free knotless nylon netting
- Solid aluminum connector block

DESIGNED FOR CATCH & RELEASE

Loki's knotless, tangle-free mesh features a special coating that's easy on fish slime coats and has extra body to resist tangles from fins, gills or hooks. Your fish spend less time flopping around the bottom of the boat and more time in front of the camera!

TESTED & APPROVED

The Beast has been tested and approved by the top big fish experts. They trust the Beast for landing trophy stripers, fat cats and other big fish.

Model #	Bow	Handle	Net Depth
TECH-RF-1	20" x 24"	1 1/8" x 30"	24" (SH)
TECH-RF-2	23" x 28"	1 1/8" x 36"	28" (SH)
TECH-RF-1F	20" x 24"	1 1/4" x 30" fiberglass	24" (SH)
TECH-RF-2F	23" x 28"	1 1/4" x 36" fiberglass	28" (SH)
TECH-BST-3	29" x 33"	1 1/4" x 48"	36" (SH)

RF-2	23" x 28"	1 1/8" x 36"	28" (SH) Green Treated Nylon

THE CARP BUSTER

CARP BUSTER

Specially made for landing big carp!
 The Carp Buster's big (29"x 33") hoop is double-wall reinforced aluminum and is connected to its 1 1/4" telescoping aluminum handle by our strong CB-3 aluminum connector block. Its 36" treated black, knotless netting bag is the perfect depth for easy fish removal, and its 1 5/8" mesh size reduces water drag. The Carp Buster is a super-strong net for gentle handling of heavy carp.

CARP-1-TH

CARP-1-TH

MARK-1

Catch and release salmon net with super soft netting!

Protecting our threatened salmon population is becoming more crucial than ever before. Salmon anglers asked us for a big net with the softest mesh possible to be gentle on fish for catch and release. We've used our soft #504BLK knotless nylon netting on the frame and hoop of our popular heavy-duty Brute Musky net. The result is a super strong frame with netting that will caress the salmon and be gentle on its scales and slime coat.

- Soft black knotless nylon netting is gentle on fish.
- Sewn in flat bottom makes fish easier to release.
- Low-gloss, reinforced fiberglass handle with foam grip.
- Solid aluminum connecting block allows handle to slide for easy storage.
- Double-reinforced hoop with square front and exaggerated width eases entry of fish.
- Spook-stopper black finish won't scare fish at the net.

Model #	Bow Size	Handle	Net Depth
MARK-1	36" x 37"	1 1/4" x 6' Sliding	42" 

MARK-1

SALMON & STEELHEAD NETS

- Soft, knotless nylon netting is easy on slime coat.
- Gills and fins won't tangle in the small mesh holes.
- Spook-stopper brown netting blends with river bottom.
- Unique flat bottom helps the fish lie flatter in the net for easy removal.
- Spook-stopper black aluminum bows.
- Black foam grip.

Salmon & Steelhead Boat Nets

- Sliding aluminum handles. **SH**
- CS-1 features dewdrop style bow.
- CS-2 and CS-3 feature squared front bow.
- Low-gloss fiberglass handles available.

Model #	Bow Size	Handle Length	Net Depth	Replacement Net
CS-1	1/2" x 22" x 27"	1" x 36" Sliding	18"	RCS-1
CS-2	5/8" x 24" x 32"	1 1/8" x 42" Sliding	24"	RCS-2
CS-3	5/8" x 29" x 39"	1 1/8" x 5' Sliding	36"	RCS-3

Handles noted as 1 1/8" in diameter are aluminum; fiberglass handles will be 1 1/4" with a larger yoke for added strength.

Add "F" to stock number for fiberglass handle.

Salmon & Steelhead Wading Nets

- Fixed aluminum handles.
- Dewdrop-style bow with 20" black elastic strap.

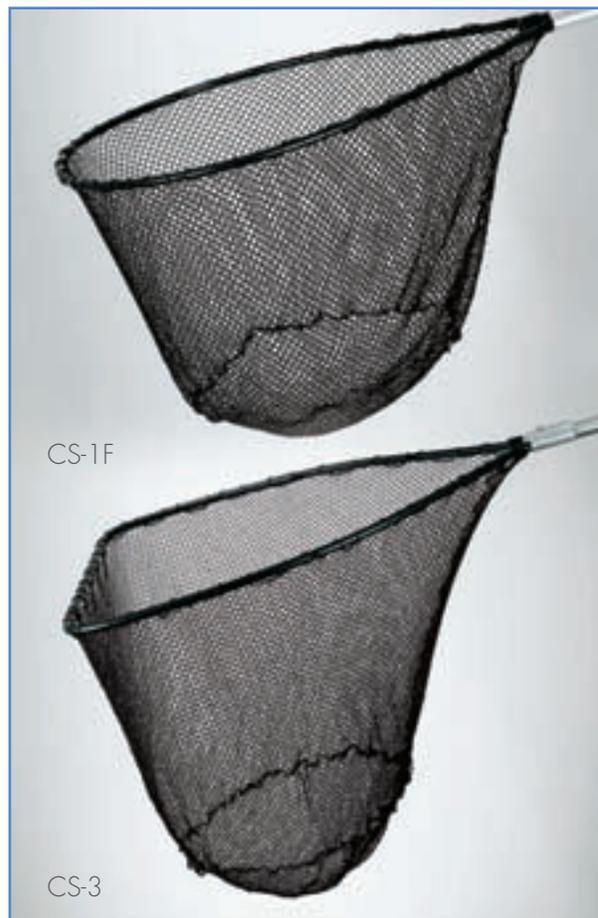

Model #	Bow Size	Handle Length	Net Depth	Replacement Net
ST-1	1/2" x 23" x 22"	1" x 9"	18"	RST-1
ST-2	1/2" x 23" x 22"	1" x 9"	24"	RST-2

WADING NETS

Standard Wading Nets

- Knotless netting treated with green Net Guard preservative or regular white.
- Diamond-embossed aluminum handle.
- Elastic cord.
- SN-16 features special scoop-shaped bow and foam grip.

Model #	Bow Size	Handle Length	Net Depth	Replacement Net
SW-16	16" x 18"	6"	24"	RNY-2 (white)
SW-16N (Green Net Guard)	16" x 18"	6"	24"	RNY-2N
SN-16 (Scoop Net)	16 1/2" x 18"	9"	30"	RSN-16
SN-16N (Green Net Guard)	16 1/2" x 18"	9"	30"	RSN-16N

LOKI GLOW

Take the guesswork out of landing that lunker at night with LokiGlow—the first glowing night fishing landing net. LokiGlow’s hoop shines bright neon green when placed near a blacklight—whether in the water or in the bottom of your boat. Our special process allows the net’s hoop to glow brightly under blacklight, but it is invisible to the eye under normal lighting conditions.

We’ve taken our most popular nets and given them the LokiGlow magic:

Model #	Bow Size	Handle	Net Depth
TLD-68SH-GLO <small>(Tangle-Less)</small>	20" x 24"	1" x 30"	18" 
TLRF-GLO <small>(Tangle-Less)</small>	22" x 27"	1 1/8" x 36"	24" 
TECH6SH-GLO <small>(TECHNET)</small>	21" x 25"	1" x 30"	24" 
NYD-7-GLO <small>(Boat Net)</small>	20" x 24"	1" x 30"	30"
TECH-BST-3F-GLO <small>(The Beast)</small>	29" x 33"	1 1/4" x 48" fiberglass	36" 

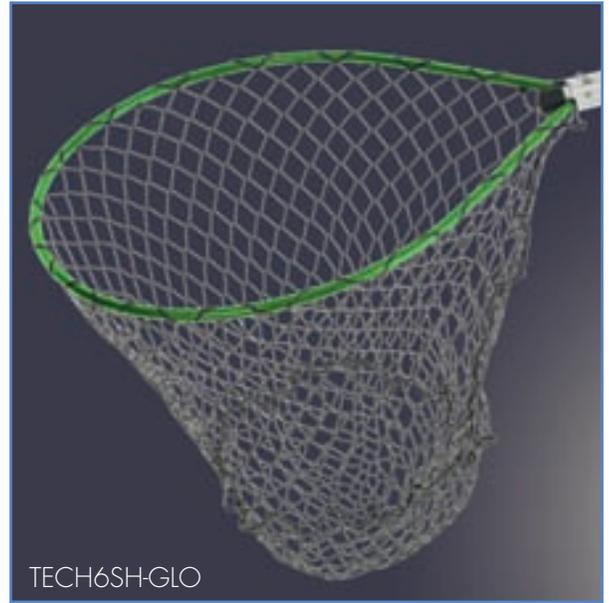

Loki Nets Point of Purchase Display

Mr. LongArm™ is the perfect way to display Loki Nets for retail or showrooms. Mr. LongArm is lightweight, stable and durable. Sets up or breaks down in minutes. Designed to fit net handle diameters up to 1 1/4". Side clips add even more display space. Comes with Loki Nets logo stickers. Features 37 slots.

TROUT NETS

We've sold hundreds of thousands of our TN series trout nets over the years. The soft, small-mesh knotless nylon netting is gentle on fish, while the Monorail bows add durability. We offer the TN series in a variety of bow sizes and net depths—including a telescoping version designed for float fishing.

Model #	Bow Size	Handle Length	Net Depth	Replacement Net
TN-1	11½" x 14"	6"	15" deep ¼" green mesh	RTN-1
TN-1B	11½" x 14" black	6" black	15" deep ¼" green mesh	RTN-1
TN-1BF foam handle	11½" x 14" black	6" black	15" deep ¼" green mesh	RTN-1
TN-2	12" x 14"	6"	18" deep ¼" green mesh	RTN-2
TN-3	9½" x 15"	6"	18" deep ¼" green mesh	RTN-3
TN-4	15" x 17"	6"	24" deep ¼" green mesh	RTN-4
TN-4T	15" x 17"	18" extends to 31"	20" deep ⅜" mesh	RTN-4T 

TROUT NET WITHOUT MONORAIL

TN-6	11½" x 14"	6"	18" deep ⅜" white nylon mesh	RTN-6
------	------------	----	---------------------------------	-------

Catch & Release Trout Net

The unique shape, flat bottom and shallow bag on this net help trout lie flatter in the net for easy, quick hook removal. The CRT features the same soft, knotless nylon netting as our TN series along with our Monorail bow. Standard netting color is green. Optional netting colors are: red, blue, black, orange, gold and white. Please specify when ordering. Available with either aluminum or foam handles with elastic cord.

Model #	Bow Size	Handle Length	Net Depth	Replacement Net
CRT-1B	8¼" x 14"	6"	8" deep x ¼" mesh	RCRT-1
CRT-1BF foam handle	8¼" x 14"	6"	8" deep x ¼" mesh	RCRT-1

Tangle-Less™ Catch & Release Trout Net

We've taken our best-selling CRT Series trout net and made it even better! The exclusive Tangle-Less coating on the net bag and hoop creates a slick and smooth net that dramatically reduces abrasion to fish slime coats. In addition, the coating gives the flat-bottom netting extra body so the net functions like a cradle.

Model #	Bow Size	Handle	Net
TLCRT-1B	8¼" x 14"	6"	8" deep x ¼" mesh
TLCRT-1BF foam handle	8¼" x 14"	6"	8" deep x ¼" mesh

BOAT NETS

We make these boat nets in a variety of colors, sizes and handle designs to help you land everything from panfish to trophy bass or walleyes.

Premium Black Boat Nets

Available in knotless nylon or heavyweight knotless. Monolene netting (treated for a stiffer finish).

- Fluted black aluminum handles in fixed or sliding
- Low-gloss black fiberglass handles available
- Black foam grips
- 4-year unconditional warranty

Model #	Bow Size	Handle Length	Net Depth	Replacement Net
BED-2B	16" x 18"	18"	24"	RBE-2
BED-4B	17" x 20"	24"	24"	RBE-4
BED-6B	20" x 24"	30"	30"	RBE-6
BED-7B	22" x 27"	36"	36"	RBE-7

For Treated Heavyweight Monolene add "TR" to model number

For Sliding Handle add "SH" to model number

For Fiberglass Handle, add "F" to model number

Examples: BED-2BTRSHF or RBE-2TR

Outside diameter of all handles is 1"

Standard Boat Nets

These nets come in a full range of sizes and handle lengths.

- Dewdrop (NYD) or "O" style (NYO) hoops.
- Knotless netting is available in natural white or treated with green Net Guard preservative.
- Diamond-embossed aluminum handles.
- Weighted ring bottoms.
- 4-year unconditional warranty.

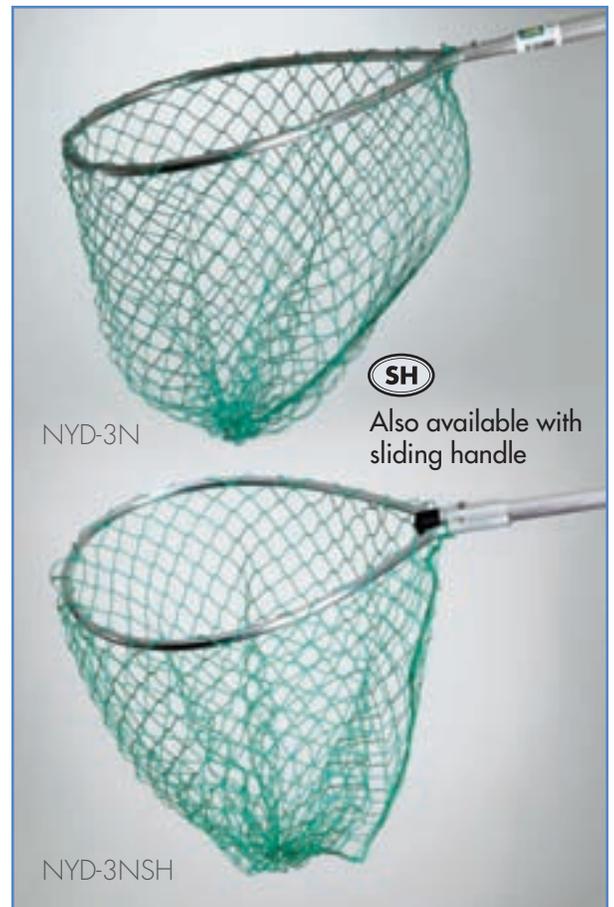

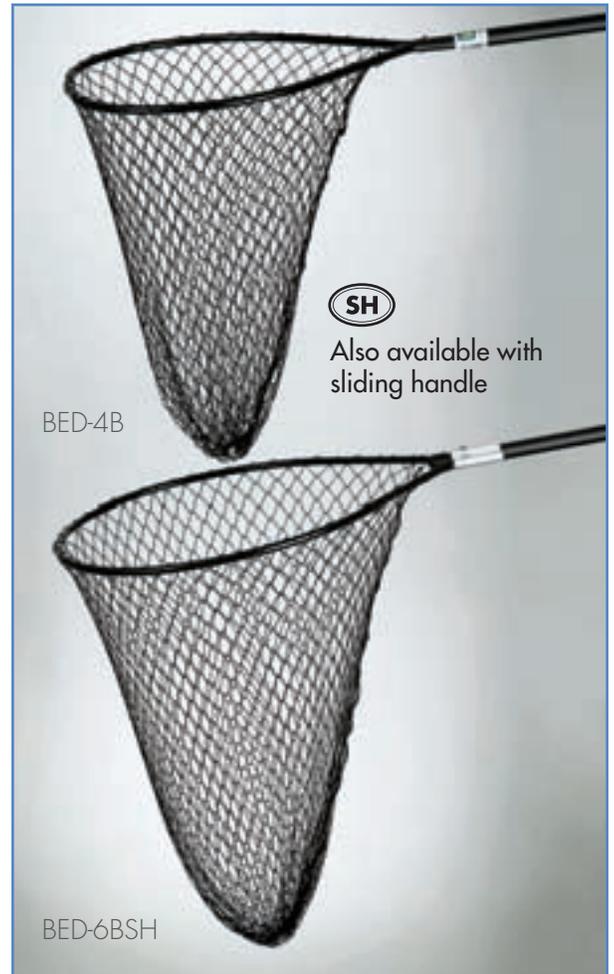

Model #	Bow Size	Handle Length	Net Depth	Replacement Net
NYD-0	14" x 15"	15"	18"	RNY-0
NYD-1	15" x 16"	18"	24"	RNY-1
NYD-2	16" x 18"	18"	24"	RNY-2
NYD-3	16" x 18"	24"	24"	RNY-3
NYD-4	16" x 18"	24"	30"	RNY-4
NYD-5	17" x 20"	24"	24"	RNY-5
NYD-6	17" x 20"	24"	30"	RNY-6
NYD-7	20" x 24"	30"	30"	RNY-7
NYD-8	22" x 27"	36"	36"	RNY-8

Add "O" to model number for O-style bow, i.e. NYO-1

Add "N" to model number for Net Guard preservative, i.e. NYD-7N or NYO-1N

Add "SH" to model number for Sliding Handle

All replacement nets furnished in white unless Net Guard is requested

BOAT NETS

CH Series Big Fish Nets

We offer a full selection of boat nets for big, heavy fish.

- 100% knotless nylon netting, treated with green Net Guard preservative.
- Sliding aluminum handles, diamond-embossed. **(SH)**
- Solid aluminum connecting block.
- Black fiberglass handles available on all models.
- Foam grips on all sizes.

The CH-11 and CH-12 are sized for big muskie, catfish or salmon. Both nets have exaggerated widths to allow easier entry of large fish. The handles have been enlarged to 1 1/4" diameter for added strength.

Model#	Bow Size	Handle Length	Net Depth	Replacement Net
CH-1	20" x 24"	1" x 30"	30" Nylon	RCH-1
CH-2	22" x 27"	1" x 36"	36" Nylon	RCH-2
CH-3	20" x 24"	1" x 30"	30" Heavy Nylon	RCH-3
CH-4	22" x 27"	1" x 36"	36" Heavy Nylon	RCH-4
CH-5	24" x 33"	1 1/8" x 30"	30" Heavy Nylon	RCH-5
CH-6	24" x 33"	1 1/8" x 36"	36" Heavy Nylon	RCH-6
CH-7	24" x 33"	1 1/8" x 42"	42" Heavy Nylon	RCH-7
CH-8	29" x 33"	1 1/8" x 36"	36" Heavy Nylon	RCH-8
CH-9	29" x 33"	1 1/8" x 42"	42" Heavy Nylon	RCH-9
CH-10	29" x 33"	1 1/8" x 48"	48" Heavy Nylon	RCH-10
CH-11	32" x 35"	1 1/4" x 48"	48" Heavy Nylon	RCH-11
CH-12	36" x 37"	1 1/4" x 72"	52" Heavy Nylon	RCH-12

For fiberglass handle, add "F" to stock number.

Handles noted as 1 1/8" in diameter are diamond-embossed aluminum.

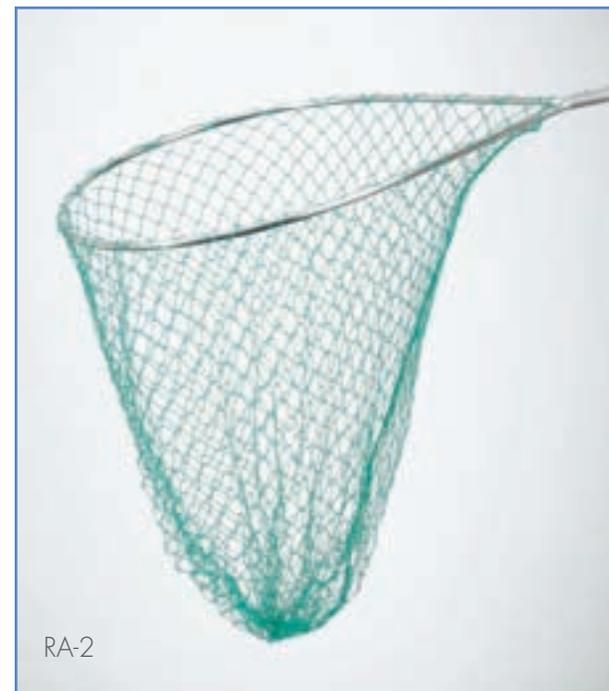

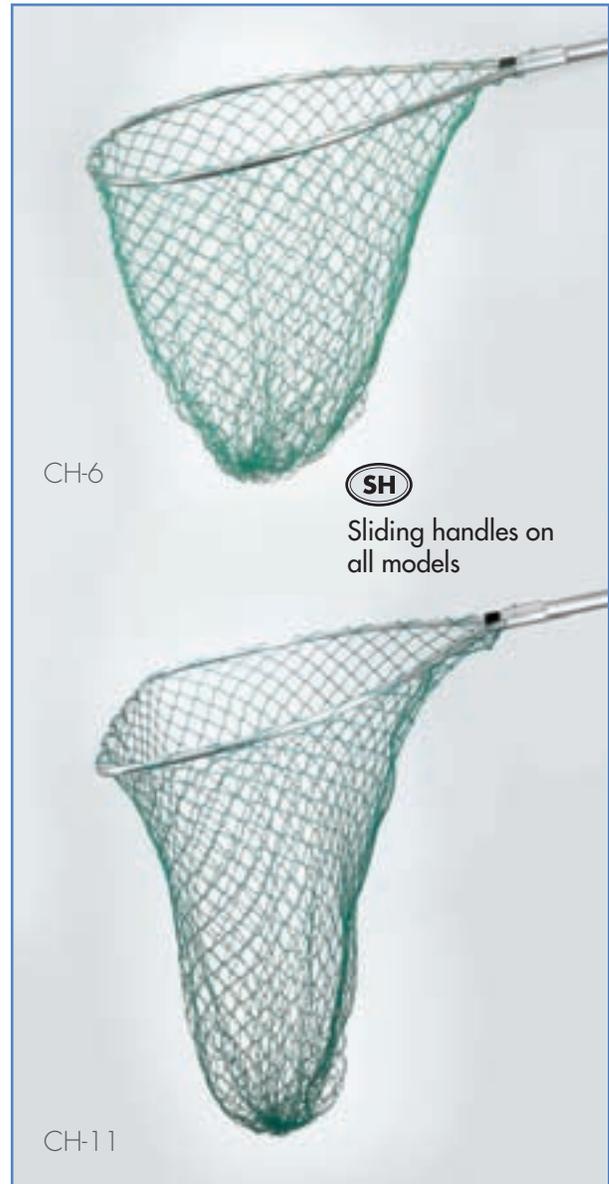

Fiberglass handles on models C-5-C-12 are 1 1/4" in diameter with a larger yoke for added strength and stability.

Telescoping Boat Nets

Designed for use in deep-well boats, pontoon boats or piers.

- Dewdrop-shaped bow.
- Diamond-embossed aluminum telescoping handles.
- Knotless nylon netting with green Net Guard preservative.
- Two telescoping lengths available.

Model #	Bow Size	Handle Length	Net Depth
RA-1	20" x 24"	42" to 54"	(TH) 36"
RA-2	22" x 27"	48" to 72"	(TH) 36"

SPECIALTY NETS

Some of our most popular models, these nets are designed for a variety of uses such as dipping shad, smelt, crawfish farming, fish farming, crabbing, etc.

- Diamond-embossed aluminum or wooden handles.
- Telescoping models available.
- Variety of bow sizes and net depths.
- Monorail bows standard on many models.
- D-shape, dewdrop or scoop-shape bows.

Model #	Bow & Handle	Net
SH-1	15" x 16" Monorail bow, pear shape 48" aluminum handle	18" deep 1/4" mesh
SH-1W	50" wooden handle	18" deep 1/4" mesh
SH-2	17" x 18" Monorail bow, pear shape 48" aluminum handle	24" deep 1/4" mesh
SH-2W	50" wooden handle	24" deep 1/4" mesh

BAIT & LIVWELL NETS

Loki offers a complete line of nets designed for handling small fish or bait. Great for bait shops, fish farmers, and fisheries research.

BD Series

Our popular BD Series features Monorail aluminum bows and small, soft mesh, knotless netting.

- Flat front bows allow for easy maneuvering in bait tanks.
- Aluminum and wood handles available.
- Shallow, flat bottom net bags ease handling of bait or fry.

Model #	Bow Size	Handle	Net
BD-1	16" x 16"	18" aluminum	3/16" Ace mesh
BD-1W		20" wooden	4" deep
BD-2	16" x 16"	18" aluminum	3/16" Ace mesh
BD-2W		20" wooden	6" deep
BD-3	12" x 13"	18" aluminum	3/16" Ace mesh
BD-3W		20" wooden	3" deep
BD-4	9" x 6"	18" aluminum	3/16" Ace mesh
BD-4W		20" wooden	4" deep

Bait Dealer (BD Series) Replacement Nets

Model #	Bow Size	Net Depth	Mesh Size
BDR-1	16" x 16"	4"	3/16"
BDR-2	16" x 16"	6"	3/16"
BDR-3	12" x 13"	3"	3/16"
BDR-4	9" x 6"	4"	3/16"

Tangle-Less™ Bait Dealer Net

The ultimate bait net! Loki's Tangle-Less Bait Dealer Series is designed to safely handle small fish, fry or other live bait. Super-strong rubber coating gives the bag stiffness and more body to prevent tangling. The shallow, wide, flat bottom helps fish lie flat for easier handling. Monorail aluminum bows encase the netting inside the hoop for unequalled durability.

Model #	Bow Size	Handle	Net
TLBD-1	16" x 16"	18"	1/4" Ace, 4" deep
TLBD-2	16" x 16"	18"	1/4" Ace, 6" deep
TLBD-3	12" x 13"	18"	1/4" Ace, 3" deep
TLBD-4	9" x 6"	18"	1/4" Ace, 4" deep

Baitwell Nets

Durable and economical, featuring galvanized wire bows fitted with 1/4" mesh nylon bags. Wooden and aluminum handles available.

Model #	Bow & Handle	Net
BD-506	8" x 8" galvanized wire bow 6" aluminum handle	1/4" mesh 7" deep Ace nylon
BD-518	8" x 8" galvanized wire bow 18" aluminum handle	1/4" mesh 7" deep Ace nylon
BD-518W	8" x 8" galvanized wire bow 18" wooden handle	1/4" mesh 7" deep Ace nylon

BAIT & LIVEWELL NETS

Minnow Mesh Nets

These nets are similar to the BD Series, but feature round bows and deeper net bags with a cone-shaped bottom.

- Monorail aluminum bows.
- Diamond-embossed aluminum or wood handles.
- Choose between $\frac{3}{16}$ " or $\frac{1}{4}$ " Ace mesh – white.

Model #	Bow Size	Handle	Net
MMN-1	15"	18" aluminum	18" deep
MMN-1W		20" wooden	
MMN-2	16"	24" aluminum	24" deep

MMR-10	24"	36"	$\frac{1}{4}$ "

Livewell Nets

Our Livewell Net fits most boat livewells. The soft, small mesh nylon is easy on the fish. Monorail prevents wear around the edges of the bow. Handle and bow are black aluminum. Foam grip handle; weighted ring bottom.

Model #	Bow Size	Net	Handle
LW-3	8 $\frac{1}{2}$ " x 14" Monorail	18" Black	9" Black

Minnow Dip Nets

These commercial-grade nets are framed on 9-gauge galvanized wire. Netting is 100% nylon Ace. Handle is 12" long. Bow is 4 $\frac{1}{2}$ " x 6". Net is 3 $\frac{1}{2}$ " deep.

The BN-1B is available in colored nets—blue, red, gold, black and green. These nets are excellent for everything from bait shop owners to beachcombers. Please specify color when ordering.

Model #	Length	Net Color
BN-1	18"	White
BN-1B	18"	Assorted

PROMO SERIES*

Our Promo Series provides durable products at low-cost price points for distributors and dealers.

Custom Netting Service

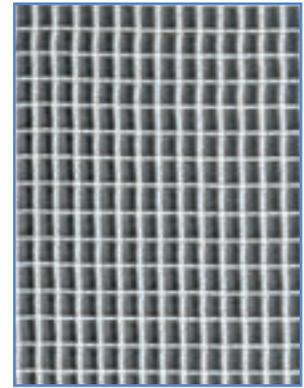

Mid-Lakes Corporation produces many specialty netting products for the aquaculture, fisheries/wildlife studies and water-gardening industries. We knit our own nets in-house and have a full-time sewing and fabrication staff. This gives us the flexibility to work with you to create a net that meets your needs and specifications. Minimum purchase required.

Examples of our custom work include:

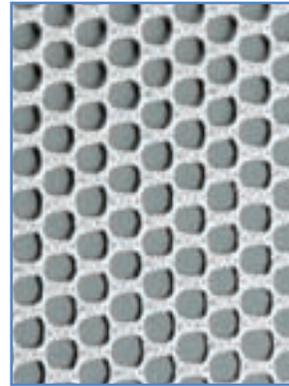

- Holding Bins
- Block-Off Nets
- Fish Farming Cages
- Purse Seines
- Predator Nets
- Cage Nets
- Catfish Farming Nets
- Biological Research Nets
- Lift Nets
