

PREMIUM NETS

For Water Gardening Professionals, Koi Keepers And Hobbyists

Loki Nets have been made in our Knoxville, Tennessee, plant since 1965. Our nets are known for exceptional quality, durability and trouble-free functionality. All Loki netting is made under strict quality control conditions. We offer a full line of specialty netting products for the aquaculture, fish farming and water gardening industries and for Koi keepers and hobbyists.

Loki Nets—A Division of Mid-Lakes Corporation • P.O. Box 5320 Knoxville, TN 37928

UNIQUE CONSTRUCTION FEATURES

When it comes to building nets, we keep things simple. We design our nets to do two things: gently catch fish and last a long time.

1

MONORAIL™ SYSTEM

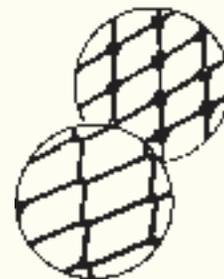

The original mesh-guard system, Loki's unique Monorail™ aluminum prevents netting abrasion from holding tanks, rocks, sand or concrete. The netting is encased in the bow, creating a natural guard and attractive appearance.

2

100% U.S.-MADE KNOTLESS NETTING

All Loki netting is made in our plant in Knoxville, Tennessee. The knotless netting reduces abrasion to fish, is more durable and also absorbs preservative treatment better than knotted imitations.

3

TANGLE-LESS™ NETS

Introduced by us in 1984, our Tangle-Less™ netting is the original and still the best. It features our small mesh knotless netting that is coated (along with the hoop) with our special super-strength preservative. The result is a net with more body that greatly reduces tangling.

4

ROUND STAINLESS STEEL SCREWS

We've listened to our customers who say square or hex-shaped screws can scrape and harm fish. These round screws have no sharp edges.

5

STRONG CONNECTOR BLOCKS

One-piece solid aluminum connector blocks are used on all sliding handle nets.

6

HANDLES

Fiberglass, aluminum, sliding and telescoping are options on many Loki nets.

POND UTILITY NETS

Loki's Utility Nets are designed to handle your toughest pond maintenance chores—from handling Koi to skimming leaves or algae. These nets feature our unique Monorail™ aluminum bows that encase the netting inside the hoop for long-lasting durability. The small, soft mesh knotless netting is strong, yet gentle on Koi and other fish. The shallow, flat-bottom net allows for easy fish handling. The flat-front bows allow easy maneuvering in pond corners, aquariums or holding tanks.

- Available in 4' or 6' diamond-embossed aluminum handles.
- Strong two-piece telescoping handles available on two models.
- Foam hand grip
- Available in both 1/8" and 1/4" white Ace netting.
- Also available in 1/4" black Ace upon request. Call for a quote.

Model #	Bow Size	Handle	Net
WG-BD-1-4	16" x 16"	4'	White Ace, 1/8" x 4" deep
WG-BD-1-6	16" x 16"	6'	White Ace, 1/8" x 4" deep
WG-BD-3-4	12" x 13"	4'	White Ace, 1/8" x 4" deep
WG-BD-3-6	12" x 13"	6'	White Ace, 1/8" x 4" deep

Add "Q" to stock number for 1/4" Ace, i.e. WG-BD-1-4Q.

TELESCOPING HANDLE OPTIONS

Model #	Bow Size	Handle	Net
WG-BD-1T	16" x 16"	Telescopes 4'6" to 7'8"	White Ace, 1/8" x 4" deep
WG-BD-3T	12" x 13"	Telescopes 4'6" to 7'8"	White Ace, 1/8" x 4" deep

Add "Q" to stock number for 1/4" Ace.

Replacement Nets

WG-BDR-1 fits WG-BDR-1-4 and 1-6

WG-BDR-3 fits WG-BDR-3-4 and 3-6

Add "Q" to stock number for 1/4" Ace.

SMALL UTILITY NETS

A smaller, shorter version of our Pond Utility Nets, the Small Utility Net has the same quality features in a more compact package.

- Monorail™ aluminum bows encase the netting inside the hoop for durability.
- Small, soft mesh knotless netting is strong, yet gentle on Koi and other fish.
- Shallow, flat bottom nets allow easy fish handling.
- Flat-front bows allow easy maneuvering in pond corners, aquariums or holding tanks.
- Diamond-embossed aluminum handle.
- Foam hand grip.
- Available in 1/8" white Ace netting.
- Black 1/4" Ace mesh available on request. Call for a quote.

Model #	Bow Size	Handle	Net
WG-BD-4	9" x 6"	18"	1/8" white Ace, 4" deep

Replacement Nets: WG-BDR-4

TANGLE-LESS™ UTILITY NETS

No other net on the market performs like the original Tangle-Less™. It's the ultimate net for safely handling Koi and other small fish or fry. The secret behind Tangle-Less™ is the super-strong coating that gives the bag more body to prevent tangling. The shallow, wide, flat bottom helps fish lie flat for easier handling. Monorail™ aluminum bows encase the netting inside the hoop for long-lasting durability.

- Available in 4' or 6' diamond-embossed aluminum handles.
- Foam hand grip.
- Fiberglass handles available. Call for a quote

Model #	Bow Size	Handle	Net
WGTL-BD-1-4	16" x 16"	4'	¼" Ace, 4" deep Tangle-Less™ treated
WGTL-BD-1-6	16" x 16"	6'	¼" Ace, 4" deep Tangle-Less™ treated

Note: Since the Tangle-Less™ production process bonds the netting to the bow, replacement nets are not available for these models.

LEAF NETS

The perfect hand-held nets for removing leaves and other floating debris from your pond, our Leaf Nets have a rectangular (24" x 12") Monorail™ frame and a strong 1½" square mesh knotless nylon net that is 8" deep. The LF-1 has a 4' fixed aluminum handle with foam hand grip, and the LF-2 comes with our CB-3 connector that fits a 1¼" handle (see our handle kits on page 9).

Model #	Size	Net	Handle
LF-1	24" x 12"	1½" mesh x 8" deep-White	4' Aluminum
LF-2	24" x 12"	1½" mesh x 8" deep-White	No handle

Nets with a CB-3 connector block will fit ANY standard 1¼" handle.

KOI KEEPER SERIES

Loki's Koi Keeper nets are designed to meet the exacting standards of both Koi professionals and hobbyists. We designed our Koi Keeper nets to be durable, yet gentle on fish.

PRO KOI NETS

Loki's Pro Koi Nets are the ideal way to care for your prized fish. The unique black Monorail™ hoop prevents net abrasion from rocks, sand or tank edges, and doesn't spook fish as readily as white netting and shiny hoops. The shallow bags are made from our soft and durable black ¼" Ace mesh, for easy fish handling and access. Pro Koi nets are available in three handle lengths and bow sizes. All handles have black foam hand grips. Pro Koi nets also are available with our Tangle-Less™ coating for extra durability and even safer fish handling.

- Available handle sizes: 9", 4' and 6'.
- Available hoop sizes: 18", 22" and 25".

Model #	Bow Size	Handle	Net
PK18-9	18" diameter	1" x 9"	¼" Black Ace x 3" deep
PK18-4	18" diameter	1" x 4'	¼" Black Ace x 3" deep
PK18-6	18" diameter	1" x 6'	¼" Black Ace x 3" deep
PK22-9	22" diameter	1" x 9"	¼" Black Ace x 3" deep
PK22-4	22" diameter	1" x 4'	¼" Black Ace x 3" deep
PK22-6	22" diameter	1" x 6'	¼" Black Ace x 3" deep
PK25-9	25" diameter	1" x 9"	¼" Black Ace x 3" deep
PK25-4	25" diameter	1" x 4'	¼" Black Ace x 3" deep
PK25-6	25" diameter	1" x 6'	¼" Black Ace x 3" deep

For Tangle-Less™ coating, add TL to Model Number; i.e. TLPK-25-9.

Replacement Nets: Add "R" to the stock number, i.e. RPK18-9. Replacement nets not available for Tangle-Less™.

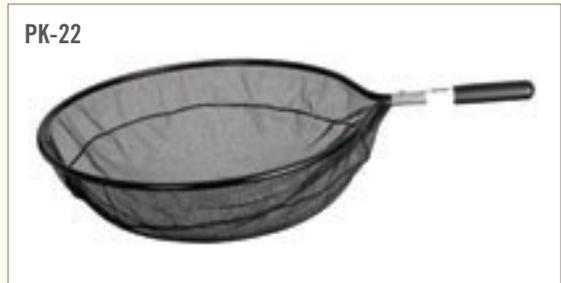

MAGNUM KOI NETS

These strong nets have yellow 1¼" fiberglass sliding handles in six- and eight-foot lengths, heavy duty CB-3 aluminum connecting blocks and shallow black net bags made of tough ¼" Ace nylon. The ⅝" black hoop is 30" round. Black foam hand grips.

Model #	Bow	Handle	Net
PK30-HD6F	30" Round	1¼" x 6' Fiberglass	¼" Black Ace
PK30-HD8F	30" Round	1¼" x 8' Fiberglass	¼" Black Ace

For Tangle-Less™ coating, add TL to Model Number; i.e. TLPK30-HD6F.

Replacement Nets: RPK-30
Replacement nets not available for Tangle-Less™.

Nets with a CB-3 connector block will fit ANY standard 1¼" handle.

YELLOW JACKET CONTRACTOR COMBO SETS

These nets are offered as either individual components or complete sets. Heads and handles are interchangeable within each set. The hoops attach to our strong connector blocks which adapt to the handles with a push-button stainless steel spring. Just pop one net off the handle and replace with another. Purchase a set and get a price break!

HEAVY-DUTY CONTRACTOR CLEANOUT NET SET (Four Pieces)

These Monorail™ frames are attached to our CB connectors and can scrape over gravel and rock without damaging the netting. The 1" handles fit our CB-1 connectors and the 1¼" handles fit our CB-3 connectors.

WG-CT	10" x 8"	1/4" Mesh-White	25" x 43" Telescoping

SHIPPING CARTONS FOR ECONOLINE NETS

For reshipping Econoline nets or other products. There will be no extra dimensional weight charges when you ship this carton via UPS. Holds 12 Econoline Nets. Carton size 6" x 12" x 36". Cartons sold 25 per bundle.

MODEL #	Description
BOX-1	6" x 12" x 36" 25 per bundle

SUPER SOCK NETS

Loki's Super Sock Nets are designed to safely move Koi or goldfish or to catch sick fish. The Monorail™ hoop prevents net abrasion from rocks, sand or tank edges. Handles are 9" diamond-embossed aluminum with foam grips. Netting is black Micro-Mesh with an open bottom.

Model #	Bow Size	Handle	Net
SOCK-11	11" diameter	1" x 9"	42" deep

CUSTOM CONFIGURATIONS

Loki Nets produces many specialty netting products for the aquaculture, fisheries, wildlife, sports and water industries. Because we knit our own nets in-house, we have the flexibility to work with you to create a net that meets your needs and specifications. Some minimums apply. Please call us for a quote.

PROMO AQUARIUM NETS (Imported)

These nets are designed for a variety of uses, and are higher quality than nets usually found in this price range.

Features Include:

- Aluminum handles
- Galvanized steel bows
- Fine mesh
- End cap with hanger loop

Model#	Bow Size	Handle	Net
BD-6	6" x 8"	12"	Fine Mesh
BD-6L	6" x 8"	36"	Fine Mesh

FILTER MEDIA & UTILITY BAGS

These bags are excellent for retaining Bio-Blox, Bio-Balls, ribbon media, Zeolite or any other type of bulk filter media, and they have hundreds of other uses. Made with our 1/4" white Ace nylon mesh, the bags have drawstrings with closing locks. For Black Ace, add BL to stock number (i.e. FB-1D-BL).

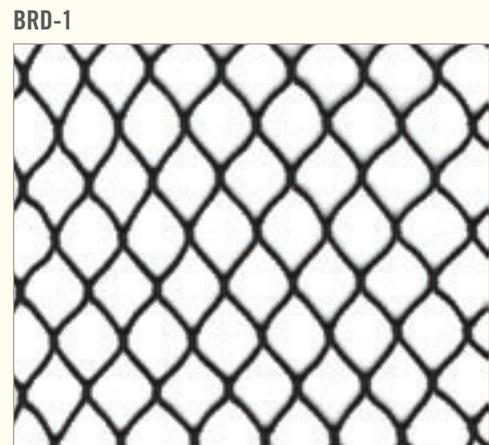

Model #	Size
FB-1D	12" x 12"
FB-2D	12" x 18"
FB-3D	12" x 30"
FB-4D	18" x 24"
FB-5D	20" x 30"
FB-6D	24" x 36"

BIRD NETTING

Protect your pond and fish from leaves and predators or use as a bird barrier. Sold in 25' x 100' sections. 7/8" square mesh, strong #126 knotless nylon netting, cut on the diamond, treated black for best UV protection.

Model#	Description
BRD-1	7/8" x 25' x 100'—Black

Model#	Description
SCR	Packed 20 per bag

POOL HANDLE ADAPTER KITS

Kit includes a 1¼" black end cap, stainless steel spring button and drilling template.

Model#	Description
AD-3	End cap & spring button

CONNECTING YOUR POOL HANDLE TO OUR NETS

Get Connected! Use your pool handle and our nets for a smart way to save on shipping costs. Most of our premium nets have CB-3 connector blocks to fit standard (1¼") pool handles. Buy your pool handle locally or purchase our PT4-8 (see page 10). Non-Loki pool handles will require our inexpensive adapter kit (see page 10). Now you can easily attach your 1¼" pool handle to any of our nets that have CB-3 connector blocks. We've listed our nets that can be supplied with the CB-3, along with the catalog page where you'll find more descriptive information.
